Let us tell you a little bit about ourselves...

Premiere Showers is your local bathroom shower specialists. We have been operating out of Mount Maunganui for many years. We are proud to manufacture, supply and install showers to many building companies both locally and throughout New Zealand.

Premiere Showers also supplies direct to the public out of our showroom in Mount Maunganui.

Are you looking to renovate your bathroom?

We are proud to provide a bathroom renovation service for those looking to upgrade their bathrooms.

Are you looking for a shower that will last the test of time and is made locally?

All of our showers are manufactured out of our factory in Portside Drive Mount Maunganui.

Premiere Showers has its own shower tray mould designs. Testing proved the construction to be superior for both strength and flex.

Our shower doors are also assembled at our factory, along with the moulding and production of our shower liners.

Are you looking for quality that's guaranteed?

All our shower products come with a 10 year guarantee. Shower installation are also covered by a 10 year guarantee providing the shower installation is carried out by Premiere Showers installers or by a Premiere Showers approved contracted installer.

We have spent many years adapting best practice techniques to ensure our products are produced to the highest of standards. Shower installations are completed by our experienced staff, ensuring the highest standard of finish.

We love our people and are sure you will too.

The majority of our staff have been with us for many years. This loyalty and pride in both our products and their workmanship ensures you are dealing with the best people for the job.

We are proud to say that much of our business has been obtained by referral from happy customers.

Quality New Zealand Made and Installed

Specialists in our field, we manufacture our own product and then install it in your home.

Whether you're looking for a 900 size shower, a large 1200 size shower or your very own custom-made shower doors, we will provide the ideal shower solution to meet your needs.

Our dedicated shower specialists pride themselves on producing and supplying products of the highest standard.

We are so confident in our shower range and installation service that we provide customers with a ten-year guarantee on all products and installation, provided an approved Premiere Showers installer does the work. You can rest assured you're dealing with a company that stands by its own New Zealand made products and specialised installation service.

We supply products nationwide. Simply give us a call or email info@premiereshowers.co.nz with details of your specific requirements and we will respond accordingly.

Experience the real thing! Premiere Showers invites you to our showroom at 19 Portside Drive, Mount Maunganui, where you'll get to view an exceptional range of showers. Our professional advisors are on hand to give you all the information you need to select the right shower for you.

We look forward to seeing you!

SHOWERS
Shower Specialists

1000 x 1000 curved front with semi-frameless door

950 x 950 angled front with semi-semi-frameless door and returns

Florida Range (MOULDED LINER)

The Florida Range provides a traditional shower unit with superbly designed attributes such as the semi-frameless glass door, 'D' handles and optional 'modesty' patterned glass or the framed glass door to enhance the moulded soap recess.

FLORIDA SHOWER TRAYS

The solid reinforced construction of our Florida shower trays means there is no flexing or creaking underfoot while showering. All Premiere Showers trays are so strong that they require only minimal backfilling by the plumber. The tray design also offers good water draining and an easy to clean surface.

Curved front
