

## Frameless Glass Shower

For a simply better shower, look no further than a frameless glass shower by Premiere Showers. We can work with your design or suggest a configuration to create the perfect shower for the space.

Since our frameless glass showers are custom made there are endless sizes and configurations possible. Fixed panels from floor to ceiling, inline, cubicles, and angle front designs are all possible.

Select from a range of precision hinges, sliders, handles and brace options in a choice of timeless polished chrome or a range of other finishes.

A wide range of glass options is also available.

Hardware available in:
